

## PRESS RELEASE

### **FALSE RECRUITMENT ADVERTISEMENT**

The attention of the Nigerian Electricity Regulatory Commission (“NERC” or the “Commission”) has been drawn to a false undated advertisement titled “*Employment Opportunities in the Nigerian Electricity Regulatory Commission (NERC)*”. The false advertisement directed applicants to apply on ReStral’s website ([www.restralrecruit.com](http://www.restralrecruit.com)) within a period of 6 weeks from the undated advertisement. The Commission’s attention has been drawn to the fact that this false advertisement is currently trending on various social media platforms.

The Commission hereby notifies members of the general public that NERC is neither recruiting nor has appointed/directed any agent to issue any publication on its behalf. The Commission further states that as a law abiding and transparent institution of government, it shall only adopt an open and transparent competitive recruitment process in accordance with the extant laws of the Federal Republic of Nigeria when it resolves to undertake a recruitment exercise. Such exercises shall be widely advertised with clear application timelines in compliance with legal requirements.

Unsuspecting members of the general public are hereby advised to disregard this false recruitment advertisement.
